How to make the most of your experience at VTM?

Download the official VTM Torino 2026 app

Your VTM experience starts here!

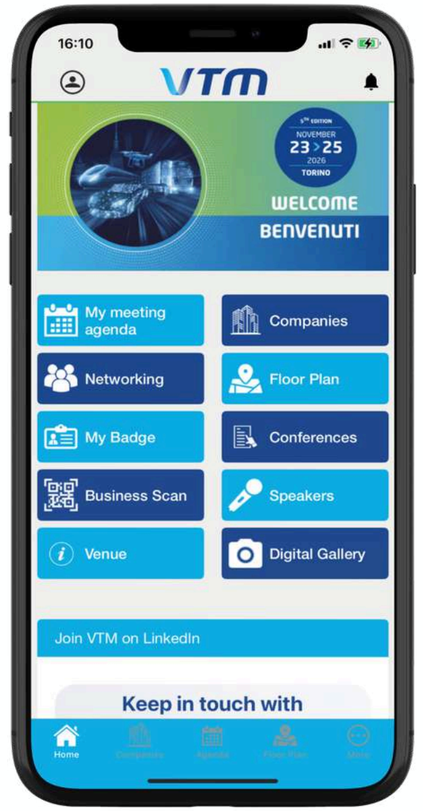

DOWNLOAD

Download on App Store

Download on Google play

WHAT CAN I DO WITH THE MOBILE APP?

- Check my meeting agenda, anytime
- Network and request extra meetings
- Scan badges and export my contacts
- Find companies by sector or competence
- Get everything I need on site
- Receive live notifications
- Join the VTM LinkedIn community

STEP 1

Download the official application

Get the mobile application

Key dates:

- **9 November**: the app is available for download
- **22 November**: your meeting agenda and networking go live
- **23 to 25 November**: VTM Torino, 5th edition

Pre-scheduled B2B meetings are requested on the B2B platform.
From **22 November**, you can also propose additional meetings in the app via Networking.

STEP 2

Connect

Registered for B2B meetings?

Log in with:

- **your delegate e-mail address**
- **your B2B platform password**

Full access:

My meeting agenda, networking, scan attendees' badges and export your contacts

Not registered for B2B meetings?

Fill in the quick form in the app

Get guest access:

Exhibitors list, floor plan, conferences, speakers, receive live notifications

Download on App Store

Download on Google play

STEP 3

How do I log in with my B2B account?

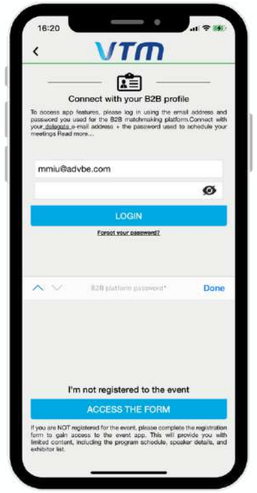

1. Download the VTM app

2. Select the live event VTM Torino 2026

3. Enter your delegate e-mail address

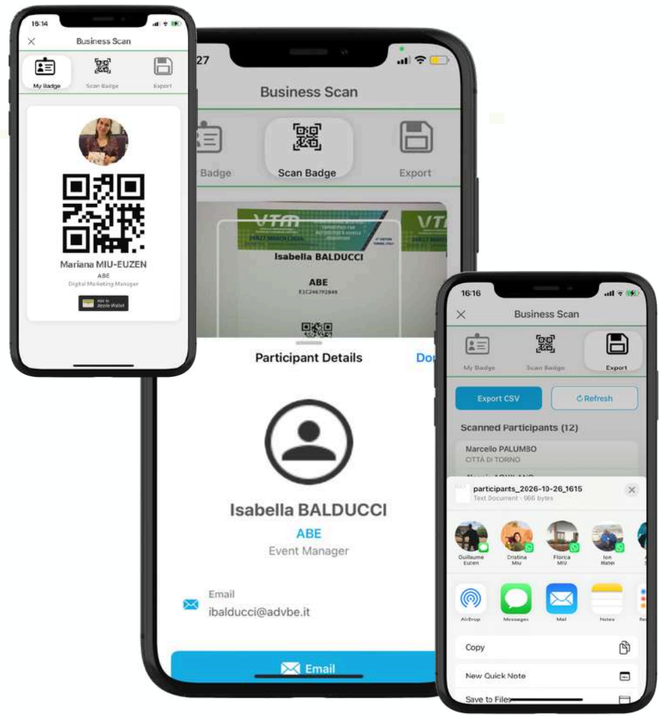

4. Enter your B2B platform password

HOW DO I USE BUSINESS SCAN?

Scan attendees' badges and export your contacts to CSV

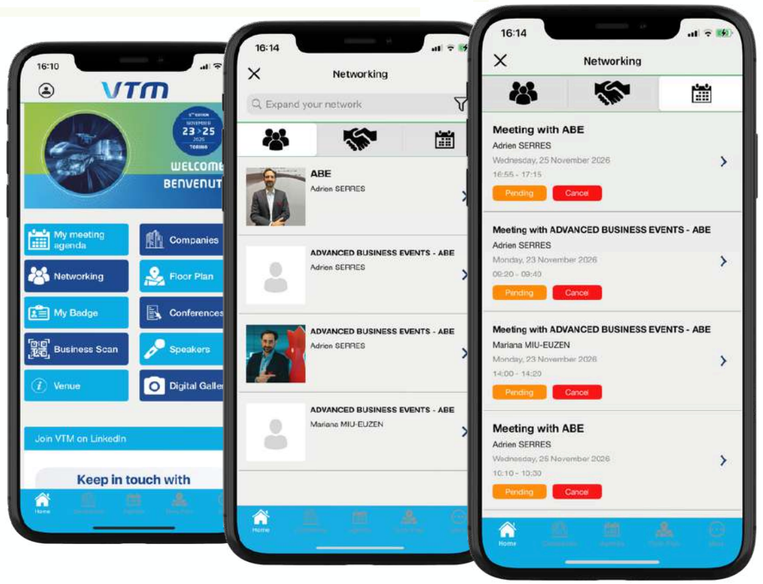

- Open **Business Scan** from the app home screen.
- Allow the app to use your camera.
- Scan the badge of the attendee, with their consent.
- Export your contacts as a CSV file (opens in Excel) and send the file to your e-mail address.

HOW DOES NETWORKING WORK?

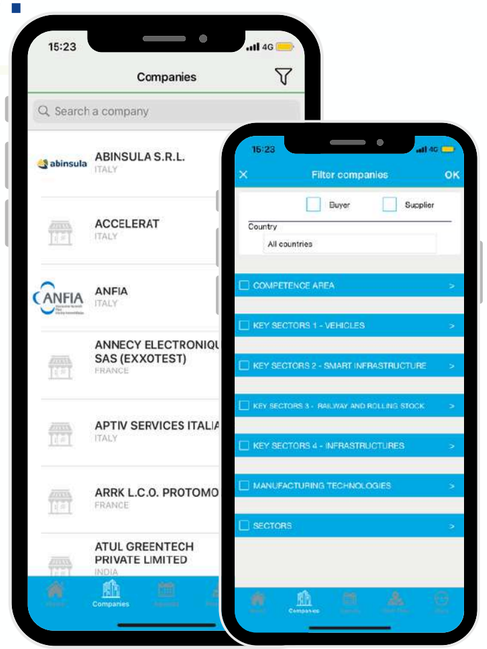

Available from 22 November for registered delegates

- Browse attendees who opted in to networking and spot contacts who share your interests
- Request contact details or propose additional meetings directly in the app
- Get notified instantly when a meeting request is accepted or declined

HOW DO I FIND COMPANIES BY COMPETENCE OR SECTOR?

Would you like to find all the companies working in Cybersecurity?

It takes just a few seconds:

- Open the **Companies list**.
- Tap the **filter icon** at the top right of the screen.
- Filter by **country**, **key sector** or **competence area**.
- Select the competence you need, for example Cybersecurity.
- You now see only the companies matching your selection.

Tip: the same filters work in **Networking**, so you can find and contact the right people directly (delegate access required).
